Projects

BuyMart | React, Node.js, Express, MongoDB, Jwt, Tailwind CSS

- 🔗 **Deployed Link** : <https://buymart-shop.netlify.app/>
- 📁 **Github Repo** : <https://github.com/PraveenKumar-Katta/BuyMart>
- Contributed to building a multi-vendor e-commerce platform enabling seamless product browsing, search, and filtering for users
- Assisted in implementing add-to-cart functionality, allowing users to manage selected products efficiently
- Supported integration of vendor management features, including tracking orders and monitoring profits
- Worked with technologies such as React, Node.js, Express, MongoDB, Jwt, and Tailwind CSS to develop responsive and secure application modules

Eventify | React, Redux, Firebase, Tailwind CSS

- 🔗 **Deployed Link** : <https://eventifybypk.netlify.app>
- 📁 **Github Repo** : <https://github.com/PraveenKumar-Katta/Event-Management-App>
- Developed multi-step event creation forms using React to guide users through customizing events.
- Implemented guest management and email invitation features, leveraging Firebase for data storage and communication.
- Integrated real-time group chat functionality among event invitees using Redux for state management.
- Enabled efficient event search and guest list tracking to improve user experience on the platform.

Niche Community Platform | HTML, CSS, JavaScript, Firebase

- 🔗 **Deployed Link** : <https://nichehoodbypk.netlify.app>
- 📁 **Github Repo** : <https://github.com/PraveenKumar-Katta/Niche-Community>
- Developed a community-based web app allowing users to join niche interest groups, post content, and interact in real time.
- Enabled interactive user engagement on posts through features like comments and likes.
- Implemented Firebase Authentication for secure user login and registration.
- Designed a responsive UI using HTML, CSS, and JavaScript for seamless cross-device experience

Skills

Technical Skills: HTML5, CSS3, JavaScript, Responsive Web Design, React, Redux, Node.js, Express.js, RESTful APIs, MongoDB, Redis

Soft Skills: Adaptability, Teamwork, Problem Solving
